

ST MICHAEL'S TILEHURST

BELLRINGING FOR WEDDINGS

Bells are rung for many reasons – for Church services to call people to worship and to celebrate special national occasions, and anniversaries. So why not have the bells rung to celebrate your wedding on this special day?

We normally ring the bells for about 20 minutes as you come out of the Church after the ceremony.

For details on costs and arranging to have the bells rung please contact :

The Parish Office: 0118 942 7331
