## WELCOME

---

### ***Our Church Community Welcomes You to St Michael's***

Our beautiful church is used regularly for worship and prayers are said daily.  
We hope that you will feel God's presence and take his Peace with you  
when you leave.

~~~~~

Christians have been worshipping here for at least eight hundred years.

Our church was originally constructed in the 13th century AD and is  
dedicated to St Michael. Further notes and information are provided in the  
church information sheets that you will find at the back of the church.

~~~~~

St Michael's congregation meets regularly to witness the love of God  
expressed in the life, death and resurrection of our Lord Jesus Christ.

Our worship is focussed on the Eucharist - the communion meal, which is  
celebrated each Sunday morning and on a Wednesday morning.

We draw strength from worshipping and praying together and being part of  
the worldwide community of Christians which endeavours to love and serve  
God in every aspect of life.

~~~~~

Take yourself on a pilgrimage as you walk round the church and you will  
come upon certain places which may prompt you to reflect on their spiritual  
significance.

Remember also, as you pass the tombs and epitaphs of those remembered in  
this church, that you are one of many thousands who have walked this way  
as they journeyed through their lives.

Please also pause and take a moment to think of those  
you love in your own life.

We welcome you to our Services:
